

Muscovar

⋮ Tags	Location	Muscovar
🕒 Last Edited	@April	, : AM

The Guilded City. The Broken Door. Known as the Door to the Broken Kingdoms, it was the only Salt Kingdom with a seaport to survive. Muscovar is the major trade center between the Kingdoms and the rest of the world - although the Channel may come to threaten that. Ruled by the Combine, a consortium of the most powerful guilds. The second-richest city after Riga.
