

# Rikka Oathkeeper

☰ Tags	NPC
🕒 Last Edited	@August , : PM

Rikka, a mountain dwarf from Craghall, dreams of running her own security company, offering protection to traveling merchants in the Kingdoms. Her first job looks to be her last - attacked by a mob of bandits, most of her guards are dead.

After Genesis Gambit saved Rikka and her caravan, she joined Valko Rybak on his journey to Granite Hills as penance for her treatment of Logan Silverhorn and subsequent inability to protect the merchant caravan.
