🕒 Last Edited	@September	, : PM

“EE-fa oo REE-gan”. Wood elf. The Shepherd of Balance, a member of the Canopy of Ossora, the council of elders that rules the forest city. Aoife is roughly years old. Her purview is diplomacy, but that doesn’t mean she’s soft - given her age, she’s a veteran of the orc invasions. She has a reputation as both the velvet glove and the iron fist within it.
