A mid-sized village on the west bank of Big Bear River. Novigrad has been settled for a century, but only recently has its growth and prosperity taken off. The presence of your mercenary company and Holly Honeyholt's new farming interests have given the town a big boost. Robust hunting, fishing, and farming, as well as the town's unique position for trade, means it should see prosperity for years to come.

Bar, the River Flagon, it's our local!
