

The Silver Sons

☰ Tags	Organization
🕒 Last Edited	@August , : PM

Made up of the second (and third, and fourth...) sons from wealthy or noble families. Mediocre mercenaries, often hired by the rich and noble. Arrogant assholes. Mostly human, some elves and half-elves.

Base: The Silver Citadel, a small tower and outbuildings near Riga.

Notable People: Commander Osborn Amesworth. Lt. Sir Percival Hawkings, a disgraced knight from Suncrest.
